## Save the Date

5<sup>th</sup> Annual Highland Illinois *Art in the Park* Event, October 11 & 12,  
Lindendale Park

(Highland, IL ) The Fall, as Mother Nature casts Lindendale Park in vibrant autumn hues, the Highland Arts Council will once again paint the town red during the 5<sup>th</sup> annual *Art in the Park* celebration.

Located just 35 miles east of St. Louis, Highland Illinois is an ideal weekend haven with gorgeous scenery, great food, fun activities for children and, on October 11 & 12, original works of art by more than 60 nationally-acclaimed artists whose pieces are collected by everyone from the FBI to Oprah Winfrey.

Serious collectors, along with anyone looking for a break from everyday stress, are encouraged to save the date, come for the art and stay for the party. In addition to fun, food and entertainment, show attendees can participate in a raffle for a chance to win ANY piece of work in the show (valued up \$500!)

This year, for the first time, a special Kid's Gallery will also feature work created by children, for sale to children, to encourage budding collectors.
