WHY ATTEND ART IN THE PARK?

Highland, Illinois is a unique blend of rural farming and the entrepreneurial spirit. It is a town proud of its Swiss heritage and dedicated to maintaining a hometown atmosphere.

Located just 35 miles from St. Louis, Highland's Lindendale Park is the ideal weekend haven... a place to take shelter from the feverish pace of everyday life, where you are surrounded by trees, not buildings.

Artists can drive right up to their booth spaces for easy set up and tear down. The HAC's team of volunteers show the utmost in hospitality by offering to be booth sitters and providing snacks and drinks throughout the show. Pizza and drinks are provided for artists' lunches on set-up day.

V.I.P. buyers pre-pledge money to be spent at Art in the Park artists' booths. The HAC gives them "Funny Money" for the pre-pledged dollars, which can be spent during the weekend. Artists turn the "Funny Money" in at the end of the show in exchange for cash! These V.I.P. buyers are invited to a special preview reception...

The preview viewing and sales reception is scheduled for Friday evening. After an evening of viewing art and the first sales opportunity, artists, V.I.P. buyers and sponsors will enjoy live music, a fantastic array of hors d'oeuvres, wine, soda and water. Mingle with serious buyers and talk about your art.

The Art Gallery... Just for Kids is unique to Art in the Park. Our artists donate to the gallery in which children ages 5-18 can purchase any item for \$5. It's a marvelous way to show children the joy of owning art.

Live entertainment will keep the energy up and toes tapping all weekend long.

ABOUT THE HIGHLAND ARTS COUNCIL:

The Highland Arts Council actively promotes the Arts in and around the community of Highland, through a variety of activities and projects. The HAC provides a showcase for local artists and educational opportunities for people in surrounding communities to be exposed to the Arts.

New members are always welcome!

"The HAC enriches people's lives through the appreciation of the Arts and provides educational opportunities involved with the Arts."
