The Efforts of Highland Arts Council

The Highland Arts Council (HAC), developed in 2003, actively promotes the arts in and around the community of Highland through a variety of activities and projects. HAC, a volunteer-run organization, provides a showcase for local artists and an educational opportunity for members of the community to be exposed to the arts. It enriches people's lives through the appreciation of and exposure to local artists and encourages community access to professional visual, literary, and performing artists and a variety of art forms, music, dance, literature, and theater. Our mission is to create a forum for people who share a love and interest in the ARTS.

HAC's Major Projects

Art in the Park, an annual fine arts juried outdoor show and sale

Art of Soul, a 5-week, two-hour educational program for the community

Commissioned art, created for the delight of the entire community

Art Affair, an art-focused fund raiser

Youth Arts Expo, an event to highlight youth vocalists, instrumentalists, thespians, and visual artists

Sponsorships of Hard Road Theatre, the local community theater company

Sponsorship of Heartland Community Chorus, the local community chorus

Sponsorship of Street Art Festival, a festival of chalk artists

Art Walk, take a stroll or drive through Highland to see the art within its borders
